Dear Mr. Simpson:

Thank you so much for Berkeley Bicycle Club's recent donation of \$500.00 to the Regional Parks Foundation. Your generosity is greatly appreciated, and helps to support the East Bay Regional Park District and its quality programs throughout Alameda and Contra Costa Counties.

Through the continued dedication of caring people like you, the Foundation can ensure that underserved populations have equal access to the Regional Park's 65 parklands and over 1,100 miles of inter-park trails. Please know that your gift will be used where the need is greatest, allowing us to fund such programs as:

- ❑ CAMPERSHIP – offering scholarships for low-income children to attend either environmental education camp during the school year or day camp during the summer.
- ❑ PARKS EXPRESS – providing low-cost transportation to the Regional Parks for non-profit groups serving disadvantaged youth and seniors.
- ❑ A BARRIER-FREE PLAYGROUND – creating a playground that children of all ages can enjoy regardless of physical disabilities or limitations.

Once again, please accept our heartfelt thanks for your investment and participation. Your support goes a long way toward making a difference, and allows the Regional Parks Foundation to ensure "access for all."

Sincerely,

Thanks so much to all your membership!

Rosemary L. Cameron
Executive Director

This letter confirms receipt of your \$500.00 contribution for calendar year 2009. Donations to the Regional Parks Foundation are tax deductible to the fullest extent allowable by law as no goods and/or services were provided in exchange for this gift.
