Dear Berkeley Bicycle Club,

We wish to thank you again for your very generous gift of \$750 on Aug. 5, 2009, to Albany SchoolCARE. We appreciate your generosity! To assist you in your 2009 tax preparation, this is a record of your contributions to SchoolCARE.

We can all be proud – due to your generosity and to ongoing community support, SchoolCARE has contributed nearly \$2 million to Albany education since it began in 2001. As a result, many essential courses and services at all grade levels have been preserved.

For 2009-10, SchoolCARE is funding:
Ocean View, Cornell, Marin: Reading specialists, art enrichment
Albany Middle School: Elective courses, Counseling,
Albany High School: Elective courses, college career coordinator
MacGregor High: Counseling and culinary arts

What was true when we first began in 2001 is true today, and will continue to be true for the foreseeable future: “If we want great schools, we have to support them.” Together, we can make this possible. Thank you!

If you have questions regarding this summary, please call Julianna Burke, our SchoolCARE treasurer, at 524-6541. For other SchoolCARE matters, please call Teresa Barnett at 526-6748 or email at teresabarnett@yahoo.com

Sincerely,

Teresa Barnett, for
